Education

Diploma in Artificial Intelligence & Machine Learning (AIML)

SRR: Rungta College, Bhilai

University: Chhattisgarh Swami Vivekanand Technical University (CSVТУ)

CGPA: 7.5

Projects

Stream-Hub — Full Stack MERN Video Sharing Platform

GitHub: 🐙 github.com/Shikhar-Dewangan/stream-hub **Live Demo:** 🌐 stream-hub-dojw.vercel.app

- Built a full-stack video sharing platform using MERN stack with responsive UI in React.js, & Tailwind CSS
- Implemented secure JWT Authentication using Access Tokens, Refresh Tokens & protected routes
- Integrated Cloudinary with Multer for optimized video and thumbnail uploads
- Developed scalable REST APIs for videos, comments, likes, subscriptions and watch history
- Structured backend with reusable controllers, middleware and utilities following clean architecture
- Deployed production-ready frontend and backend services

TaskZen — React + Appwrite + Tailwind CSS

GitHub: 🐙 github.com/Shikhar-Dewangan/Taskzen-App **Live Demo:** 🌐 taskzen-app-seven.vercel.app

- Developed a responsive task management application with secure authentication using Appwrite
- Implemented task creation, editing, deletion and status management with real-time database integration
- Designed a clean and mobile-friendly UI using Tailwind CSS for an improved user experience

Blog-App — React.js + Appwrite + Tailwind CSS + TinyMCE

GitHub: 🐙 github.com/Shikhar-Dewangan/React-Appwrite-Blog **Live Demo:** 🌐 react-appwrite-blog-rouge.vercel.app

- Developed a full-stack blogging application using React.js and Appwrite
- Implemented user authentication, blog creation, editing, deletion and content management
- Integrated TinyMCE rich-text editor for creating and formatting blog content
- Built a responsive and user-friendly interface using Tailwind CSS
